Chattanooga, TN – CHI Memorial’s mobile health coaches will provide mammography screenings at the City of Chattanooga on Monday, December 3, 2018, from 9 a.m. – 3 p.m.; at Volunteers in Medicine on Wednesday, December 5, 2018 from 9 a.m. – 4 p.m.; and at World Church of the Living God on Saturday, December 8, 2018 from 9 a.m. – 2 p.m.

All women should have one screening mammogram between the ages of 35-40. After age 40, a screening mammogram is recommended every year. Any woman who meets these age guidelines and has not had a mammogram in the past 12 months may participate, with or without insurance.

For those with insurance, you must bring your insurance card and a photo ID, such as a driver’s license. Insurance will be filed for you. If you do not have insurance, you may qualify for financial assistance. The MaryEllen Locher Breast Center receives grant funds from Avon Breast Cancer Crusade to provide women with education about and access to breast health services. Partnerships with Tennessee Breast and Cervical Screening Program and the Susan G. Komen Foundation provide eligible uninsured and under-insured women with breast and cervical screenings. If an abnormality is discovered, the diagnostic work up is covered and a financial plan is provided for any follow-up care.

Women need to know their doctor’s first and last name.

To schedule a screening, call 423-495-4040 or 866-591-2254.

** Program hours subject to change based on participation.*

About CHI Memorial

CHI Memorial is a not-for-profit, faith-based healthcare organization dedicated to the healing ministry of the Church. Founded by the Sisters of Charity of Nazareth and strengthened as part of Catholic Health Initiatives, it offers a continuum of care including preventative, primary and acute hospital care, as well as cancer and cardiac care, orthopedic and rehabilitation services. CHI Memorial is a regional referral center of choice with 3,400 associates and more than 700 affiliated physicians providing health care throughout Southeast Tennessee and North Georgia.
