

There is an upcoming State Leadership Conference (SLC) for Future Business Leaders of America (FBLA) competition in Chattanooga and they are still needing judges. This is a great opportunity for some of our local business and industry to get involved and see some talented students at work.

***SLC JUDGES ARE STILL NEEDED***

We really need your help! Do you know business and industry leaders in the Chattanooga area who would be interested in volunteering as a competitive events judge? If so, please encourage them to sign up to judge ([here](#)). Please share the link with the chaperones/parents/spouses traveling with your chapter, too. We provide light meals (*breakfast, lunch, or dinner—depending on the time of day*) and special gift items for our professional volunteers at each conference. Thank you so much!
