green | spaces Hosts Chattanooga's First-Ever Eco Field Day

(CHATTANOOGA, APR 2, 2019) – green | spaces will be hosting Chattanooga's first Eco Field Day April 26 - 27 at Miller Park. The event will be a whole new way to celebrate Earth Day with eco - vendors, live music, field games and resource connections.

The two - day event will bring adults and children together from the Chattanooga area as they enjoy field day with an eco - friendly twist to all the challenges. April 26 marks the Corporate + Adult Field Day Challenge where corporate or adult teams are able to compete in 10 different eco - friendly activities. Activities include the Dung Beetle Roll, Tug - a - Watt (not War), Recycled Sack Races and Electric Scooter Races. April 27 is Family Festival Day featuring electric race cars built by local students, eco - challenge stations, live music, local beer and resource connections to help promote eco - friendly practices within the family and our community.

"We are so excited to bring the community together to enjoy a fun filled day and celebrate our beautiful city and planet! It's a wonderful opportunity for people to learn how they can make simple steps to promote a more sustainable lifestyle all while enjoying a day at the park," said Kelley Cureton, green | light program director for green | spaces.

Both days of Eco Field Day attendees can enjoy the Earth Day Art Competition. The 2019 theme is "Species Preservation." green | spaces is accepting artwork made from only recycled material featuring artist's favorite animal. Voting will take place April 26 & 27 by placing money in the donation box next to the entry. Prizes - 30% of the proceeds from the voting boxes will be awarded to the Judge's Choice & 20% awarded to People Choice!

Guests can register for all Eco Field Day events at <http://www.greenspaceschattanooga.org/ecofieldday>.

Presented by EPB, event sponsors include the University of Tennessee Chattanooga, Cumulus Chattanooga, Elliot Davis, Unum, City of Chattanooga, WestRock and Tennessee American Water.
