Market Street Partners, PLLC, Adds Derek Daniel and Lyndy Clementson

Daniel joins as Principal and Clementson to manage Human Resources

Chattanooga, Tennessee (November 10, 2020) – Market Street Partners, PLLC, a dual-market Chattanooga-based accounting firm, has grown their team by adding [Derek Daniel](#), CPA, as Principal and [Lyndy Clementson](#), PHR, SHRM - SCP, as Manager of Human Resources. Daniel brings with him 16 years of accounting experience, while Clementson has almost a decade of human resources experience.

“These are two critical hires that will benefit our clients immensely, while also ensuring that we are taking care of our most valuable resources at MSP – our people,” said [Kyle Bryant](#), CPA, and Founding Partner at Market Street Partners. “Over the course of his career, Derek has established himself as a reliable and proactive, client-focused CPA, and the quality of his work is hard to match. Likewise, Lyndy has earned a reputation as a leader in the human resources field. Both of them will be great additions to our team, and I am excited they’ve decided to grow their careers with us.”

Prior to joining Market Street Partners, Daniel served clients of all sizes at a regional accounting firm. He has led and participated in audits of various-sized companies, ranging from pre-revenue stage to premier customers. His primary industry focus is manufacturing and distribution, where he has served companies including chemical, food and beverage, industrial manufacturing, e-tail distributors, and furniture. Daniel has also served a variety of other industries, including real estate construction and development, healthcare, government contracting, and even Major League Baseball.

Clementson specializes in leading human resources initiatives including policy design, compensation, performance management, recruiting, compliance, HRIS implementations, employee relations, HR workflow development, and benefits administration.

“These are the kinds of hires we envisioned making when we founded Market Street Partners,” said Bryant. “We wouldn’t be able to attract this caliber of talent unless we’d grown by leaps and bounds over the past few years, and both Lyndy and Derek will enable us to continue that trajectory.”
