The Austin Hatcher Foundation to Host Second Annual Bubbles of Fun Run Presented by U.S. Xpress

- ***Fun Run, 5K, and 10K***
- ***Held at Tennessee Riverpark***

CHATTANOOGA, Tenn. (May 11, 2022) – The Austin Hatcher Foundation for Pediatric Cancer is hosting its second annual Bubbles of Fun Run presented by U.S. Xpress on June 11, 2022.

This exciting and family friendly event will be held at the Tennessee Riverwalk and consists of a 5K, 10K, and one mile Fun Run for the entire family! The 5K and 10K events will be timed and receive medals awarded at the finish line.

The run will begin at 8 a.m. at the Tennessee Riverpark Shelter #4. The shelter is located near the entrance of the riverwalk found at 4301 Amnicola Hwy, Chattanooga, TN 37406. Registration is open now at www.HatcherFoundation.org/run.

“The Austin Hatcher Foundation is one of our core community partners here at U.S. Xpress,” said U.S. Xpress Social Media Content Specialist Lauren Foster. “We love supporting their mission, getting our team members more engaged, and spreading awareness of the great work the foundation does!”

The annual Bubbles of Fun Run event is a celebration of joy and hope as runners help raise funds to provide a brighter future for families with pediatric cancer. In keeping with the foundation’s logo, bubbles will be blown at various stations throughout the course. Runners are also encouraged to blow their own bubbles along the way, filling the course with an uplifting and hope-filled atmosphere.

This year’s event is presented by U.S. Xpress. Runners will receive special swag in their participant bags from U.S. Xpress and will be able to see the Austin Hatcher Foundation wrapped U.S. Xpress truck at the event.

Participants and spectators are encouraged to create a personal fundraising page for this event. Everyone can make an impact by sharing their page on social media and among friends and family to raise awareness and additional funds for the Austin Hatcher Foundation.

Funds raised through the Bubbles of Fun Run directly impact and provide services for children and families with the tools to cope in the present and thrive in the future after childhood cancer. Families of the foundation

are provided with services such as Mental and Behavioral Health Therapy, Occupational Therapy, NeuroPsych Testing, Family Programs, and more at absolutely no cost to them.

To learn more about the annual Bubbles of Fun Run, register for the event, or create a personal fundraising page, visit www.HatcherFoundation.org/run today!

About the Austin Hatcher Foundation:

The mission of the Austin Hatcher Foundation for Pediatric Cancer is to erase the effects of pediatric cancer and optimize each child's quality of life through essential specialized intervention beginning at the time of diagnosis and continuing throughout survivorship. The foundation, founded in 2006 by Amy Jo Osborn and her husband, Dr. James Osborn, is a 501 (c) (3) non-profit organization. Services are provided to children with cancer, and their families, via the foundation's acclaimed Education Advancement Center (EAC) in Chattanooga, Tennessee. The EAC is a state-of-the-art facility and is home to the foundation's four divisions including Psycho-Oncology, Healthy Lifestyle Education, Diversionary Therapy and Industrial Arts Therapy. The foundation provides all services at no cost, with services funded solely by the donations of supporters. The foundation is part of the SEMA Cares Family of Charities, is an official Proud Charity of the International Motor Sports Association and the official charity of SimCraft. For more information on the Austin Hatcher Foundation, please visit www.hatcherfoundation.org or contact the foundation via e-mail at info@hatcherfoundation.org.
